Professor Wilson Duff  
Department of Anthropology  
University of British Columbia  
Vancouver 8, B.C., CANADA

Dear Wilson:

I am so glad you will be able to review Miss Kaufmann's manuscript for us. It is being sent to you forthwith, under separate cover.

I must confess that I am even more interested in what you say about your own work. Is the University of British Columbia Press going to publish it? If not, and if it is not already committed elsewhere, I hope you will keep us in mind.

With best wishes for the new year,

Naomi
