

6 Now lets focus on the "house": F2 wilps lohon

a. Composition - who lived there?

Chief Lohon. (wife, small children)

Why not older sons? — to uncles house

Why not older daughters? — to husbands house

except in case nephew marriage  
by cross-cousin marriage

4. Brothers (wives, small children)

Nephews (+ wives & daughters)  
see sons.

do you understand Matrilinal system? - consider a boy born into F2.

- boy born into his mother's family (Wolf or Fox)

- father (Lohon) is not in same phratry (exogamy)

- his uncle (mobro) closest male relative

: moved to uncles house

: marry cross cousin  
uncles dau  
mobrodan

bring same  
house

: uncle died

- succeed memorial pole, took name

- become chief

- maybe chief wife.

Meanwhile, Lohon's nephew had moved into F2

marry Lohon's dau.
