Dear Mr. Hall:

With reference to your letter of May 1 asking for information on the Sasquatch and possible primitive existing tribes, I am sending on approval a copy of one of our publications. On pages 117-119 you will find references to the Sasquatch. The price of the book is \$2.00 if you decide to keep it.

All peoples have traditions and myths about strange creatures (giants, dwarfs, various monsters) and strange peoples who live in remote places. Our Indians shared such myths, and they have lived on in the local traditions. I believe they should be regarded in the same light as the sea monsters often "seen" at various places, and perhaps flying saucers.

Yours sincerely,

Wilson Duff,
Anthropologist.
