Dear Mr. Duff:

I have made a thorough search of our archives and turned up very little in Newcombe's correspondence. However, I did find a sketch of the totem pole and a sort story on it. Hope this is what you wanted. I am also enclosing xerox copies of some of Newcombe's correspondence that might help you pin things down, timewise. If I can be of any more assistance, please do not hesitate to write.

Sincerely yours,

*Albina D. De Meis*

Keeper of the Collections,  
American Section

P.S. I have no idea what happened to the bottom part of the totem pole. If it is not in place now, it has long since disappeared. I doubt that the the pole will be brought indoors in the near future, as our other poles are housed now. But, I will do my best to encourage its preservation.
