hunting territory of the house of lens

in form of. Gispavts. gispavts. gispavts. gispavts. gispavts.  
 Mathers Johnson. lens

The hunting territory of this house was a large area known as Felmore Inlet, as its northern Frontier and Hidden Inlet. {Konda. as its southern frontier.

This area was acquired in this manner from the Gidaganitz Inlet of niashot. The Kimmeyen and the Gidaganitz used to associate very much with one another in former days when the Gidaganitz people lived at (lastok  
 in point. ~~the~~ Tangas

and marriage between the two tribes were very frequent and they, niashot was married to a woman of lens house and when he married this woman, he set aside Felmore Inlet as the present to the house of lens and has always been retained by this house.
