Dear Wilson:

Thanks for the letter & the Kuldoo map.

The map has me more deeply confused than ever -

My Kuldoo is on the other side of the river! In fact all "my" Kuldooes are on the other side!! Maps which were sent me previously show Kuldoo on West bank same side as telegraph trail!! Could this be upside down & the trail Hazelton marked differently - No! The Kisgegas trail is in right direction! Well, lets keep on trying, anyway, and many thanks - Pelly.
