

Types of narxox performances

1. A dramatization of a name - guests just watch
2. Creature touches or claws guests in order of rank. They do nothing but are compensated
3. Creature goes to each guest in order of rank and guest participates:
 - a) singing ksonetk
 - b) acting his own narxox
 - c) Curing

along a front of
the village empty ^{belait}
(shaman)

where oneself of
its own accord in around walks

the remnants of wealth

how together gather I

the remnants of wealth

Song implies "empty wealth"

2 about up gaze I sky

about up gaze I sky

— see I my uncle —

never false ^{arax}
lying myth

— about up gaze I sky —

refers to those many false myths speaking of themselves
