1. Enumerated in Northwest Coast Agency 1889 only; thereafter in Babine Agency.

2. Glen Vowell is not listed until 1905, Andimaul until 1910. From the high 1889 figures for Kispiox and Kitsegukla I assume that these two new settlements existed before 1893, and have added an estimated population for them.

*No. Glen Vowell 1898  
Andimaul 1897*
