Dear Mr. Duff:

Just hasty note in your request to get in touch with Beynon's relatives.

His brother Jack lives in Vancouver. Unfortunately, I have not his address. I'm sure you will find him in Vancouver telephone book, as he had a long conversation with me at time of Bill's passing.

Enjoyed your letter very much. Do come and see me. My phone 4269. I think you might find some material around here, particularly that Indian (whatever it is) on cliff above Village Bay.

Regards,

Francis Dickie
