

Harada Art:

- a thing is
- shows what things are like, specifically, explicitly semiotically
  - a) - ~~semantic~~ depictions
  - b) - <sup>metaphoric</sup> ~~semiotic~~
  - c) - narrative

- shows what things are like, collectively, implicitly semiotically  
- "style" (commonality)

- shows how things relate, structurally semiotically?  
- creativity.

shows how things can be used to display  
essential relationships
